Highfield Level 1 Award in the Principles of Fire Safety Awareness (RQF)

QUALIFICATION NUMBER: 603/1564/7

WHO REQUIRES THIS QUALIFICATION?

The objective of this qualification is to support learners in any workplace, particularly new starters, where a basic understanding of fire safety is required. Learners gaining this qualification will know that fire safety is the responsibility of everyone in the workplace. They will recognise the common causes of fire and identify actions to take in the event of a fire.

WHY A HIGHFIELD QUALIFICATION?

Highfield is the leading provider of regulated compliance qualifications in the UK, certificating over 350,000 learners a year.

We're extremely proud to be a Highfield-approved centre and offer industry-recognised qualifications that will enhance your career prospects.
